

ART RUBRIC FOR ALL PROJECTS

Please hand this in with your project.

Title:

	Extending	Proficient	Developing
Creativity	Work is unique and interesting. Stealing like an artist. Exploration of several options evident by three or more sketches exploring different ideas. Takes many risks.	Work is generally unique and interesting. Trying to steal like an artist. Exploration of a few options evident by sketches exploring different ideas.	Work is occasionally original or interesting. Bad stealing is apparent. No pre-sketch, just dove right into the art piece.
Use of elements and principles	Exceptional understanding and application of elements and principles of art and design as demonstrated by artwork and reflection.	Reasonable understanding and application of elements and principles of art and design as demonstrated by artwork and reflection.	Limited understanding or application of elements of art or design as demonstrated by artwork and reflection.
Craftsmanship	Work done with exceptional care and attention to detail. Work is neat, and mistakes were incorporated into the design so they became features. Paper is smooth.	Work done with care and attention to detail. Work is mostly neat with a few messes. Paper is overall in good condition.	Work done with minimal care and attention to detail. Work is a bit messy and does not demonstrate care. Paper is crumpled.
Achievement and Completion	Assignment was followed and completed perfectly.	Assignment was followed, but it feels incomplete.	Assignment was not followed. Assignment does not make sense, is clearly incomplete.
Effort	Exceptional effort, care and pride. Planning is obvious and evident on the three sketches.	Work shows good effort and planning.	Work shows limited effort; student stayed on the sketch phase.
